

# **COVID-19 Vaccination and Testing Confidence Building Zoom Webinar:**

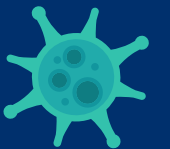

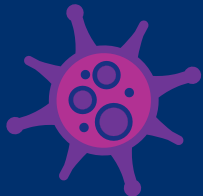

**6 – 7 30 pm on Tuesday May 18**

A local conversation with faith-based organisations  
and communities in Southampton

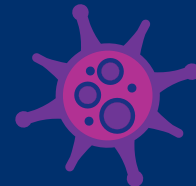

An opportunity to ask a panel of health experts,  
local faith and community leaders your questions  
about COVID-19 vaccination and testing.

## What can I find out about?

- How the COVID-19 vaccines work and Southampton's vaccination programme
- COVID-19 testing options in the city and why these are important
- How different faiths view the vaccine programme and how it fits in with religious beliefs
- Faith and medical perspectives for addressing myths and misinformation around the COVID-19 vaccine

The event will be chaired by Dr Debbie Chase, Director of Public Health, Southampton City Council.

## Speakers include:

Dr Alzetani Aiman, Consultant Cardiothoracic Surgeon, University Hospital Southampton

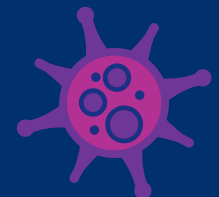

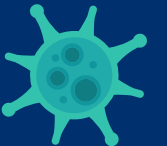

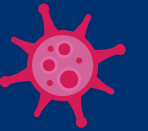

Dr Sanjeet Kumar, GP, Shirley Health Partnership

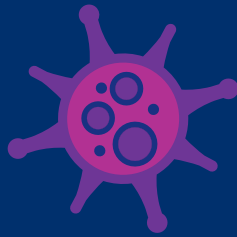

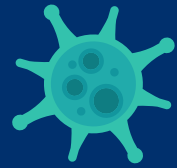

Dr Abdoulie Sanneh, Chair, United Voice of African Associates

Dr Shiba Qamar, GP, Aldermoor Surgery

Emma D'Aeth, Chaplain, Solent NHS Trust

Rob Kurn, Deputy CEO, Southampton Voluntary Services  
Beverley Dowdell, Community Perspectives

With limited places available, early booking is advised.
